

Welcome to Hyde Park, heart of the Hudson Valley, and gateway to the region's Great Estates. For history buffs, Hyde Park has Colonial cottages, Gilded Age manors and Presidential archives. Visitors to The Culinary Institute of America will savor our cafés and restaurants as well. Nature lovers can trek our miles of trails, crisscrossed by ancient stone walls, or simply stroll along the majestic Hudson River. The pastoral beauty here has inspired painters, poets and even politicians. Let it inspire you to return.

Dining

Restaurants and Pubs
